## Message from Zita

In January this year our membership base stood at 440, and now in December it stands at 489 reflecting the additional 49 companies that joined during the year. This is the largest number of members joining our organization in one year, since our inception in 2004.

The majority of our members are from the SME (Small and Medium Enterprise) sector, and we plan to respond to your needs in 2009 with quite a few exciting initiatives in the pipeline. We need to thank our founding sponsors for their support. They are: Bank Windhoek, First National Bank (FNB), Mobile Telecommunications Limited (MTC), Namdeb, Ohlthaver & List, and Telecom Namibia. In addition we need to recognise our media and strategic partners. We trust your association with us has and will still benefit your organisation and that you will continuously take that appropriate business decision to become part of Team Namibia.

From the Board of Directors and Secretariat, we wish you all a wonderful and restful festive season. A blessed Christmas to you, and your families.

Until January 2009,

Zita

## TEAM NAMIBIA PRODUCTS
