## message from Sonia

Dear Members,

It is September already, and we are happy to announce the arrival of SPRING! We at Team Namibia have been looking forward to this wonderful time of the year to continue with our 5th Birthday plans we had for the year. We are looking forward to hosting our Night of Namibian Indulgence in November and more information on this exciting event will be forwarded to you in due course. As discussed at the AGM, Zita will be the Pavilion Director of the Shanghai Expo 2010, we are very excited to be a part of this huge project and will keep contact with members for all possible procurement opportunities. Remember, as Namibians we need to be proud of who we are, what we do and what we make. Be Namibian - Buy Namibian.

Sonia
