## message from Sonia

Dear Members,

It is with great sadness that we bid farewell to our General Manager Zita Tobin this month. Zita has resigned from the team, to focus full time on the Shanghai Expo 2010, as the director of the pavilion of Namibia. We wish Zita all the best and her mark has been left on Team Namibia. The applications for the GM position closed on the 30th of October as advertised, in all the daily newspapers and on our website. We will let you all know who succeeded Zita in early 2010 once the vacancy has been filled.

Team Namibia, secretariat & board send their heart felt Condolences to our Ambassador & member Lazarus Shiimi, better known as "Gazza", for the great loss he and GMP (Gazza Music Productions) have faced. The whole nation is at a loss of the talented GMP musicians, Roger Itembu and Julius Spiegel. May their souls rest in peace.

Remember, as Namibians we need to be proud of who we are, what we do and what we make.

Be Namibian - Buy Namibian.

Sonia
