message from Team

Dear Members,

What an incredible March it has been! Team Namibia, along with proud member Pick'n Pay, for the first time had a special promotion on member products during Independence weekend. Our logo and slogan was used boldly we thank all participating members and Pick'n Pay for helping us promote Namibian products on our country's most auspicious day. See the accompanying picture of the pages published in the local dailies.

As an added bonus Team was invited by Cabinet to partake in the Independence Float Procession on March 20. Thank you Cassius and Namibia Diaries for helping us achieve that, we had a great day and the children loved not only the Diaries products but also the chilli chips from Namibia Quality Beverages! Thanks to Charl! To top it off our float came second with fellow Team Namibia member Namib Mills taking first place! It was a day of solidarity and joy. Thank you New Era for putting us in the paper.

Team had a further presence by advertising in all the major papers with a unique and very different slant.

As they say the only constant is change and at the end of March we said goodbye to Sonia who is leaving us for the Namibian Pavilion in Shanghai. Tatjana has been appointed in a PA capacity to Yanna and we welcome her to the Team. I am sure you will all agree when we say best wishes to Sonia and thank her for her enthusiastic and consistent hard work in building the Team Namibia brand.

Be Namibian - Buy Namibian.

TN Announcements

1. Proud Namibian brand Top Score made it into the Elle Decoration magazine, presumably via their export market in Mozambique. We are sure that Team members will agree that a bag branded Top Score, is an absolute must-have for the coming season! Well done to Koos Ferreira and his team for making it into the fashion world with the staple of the Namibian people!!!!
2. TN membership fees have been increased by 10% for 2010 according to the AGM resolution in 2009
3. TN website is soon to be completely overhauled and we require your input as to micro-sites, links, and interactive features and so on. Please take five minutes and mail us, see address below with your ideas. It is OUR website after all!
4. The progression of our flagship project known as Friends of Team Namibia is going well and the Big Six will soon make their appearance!!
