

MESSAGE FROM THE TEAM

**What a fabulously crazy month June was!!!**

The Tourism Expo went famously and we think it was Team's most successful expo yet. We won Silver which is third place, for best stand for Industry Associations. The judges told us the competition was very tight so we are very proud. Thank Heidi from Anin Embroidery and Liezl from Pambili for making it so very beautiful! Check out our page on Facebook for pics!

Team has also been part of the Fifa 2010 World Cup and along with partners Coke and members FNB and Breweries, we had our first PVA on June 11 at Sam Nujoma Stadium and SKW in Windhoek. (Again, pics on Facebook!) Swakop and Oshakati also featured and all in all, the day was a great success.

Look out for us at SKW on July 6 and 7. There will be cool prizes to win and a lot of fun... we promise!

Events like these really help to lift the profile of Team so we say thanks to the 'big boys' for letting us in!!

Bulk smses were also launched this month with one message a week to around 3000 numbers. Look out for them. The feedback has been awesome!

We also had our first billboard shoot with Dr Christina Swart-Opperman, Friend of Team Namibia. Soon to rise in the capital!! We are very excited!

Remember, Team is on Facebook. Join and let's start a debate of sorts!!! We need your inputs to make Team GREAT!!!

**Have a great July!!!**

**Be Namibian – Buy Namibian.**
