

MESSAGE FROM THE TEAM

Dear Members

'Tis October and the year is slowly drawing to a close... BUT NOT FOR TEAM!!!

First piece of news is that we are launching our first three billboards by early this month and we are very excited. The media launch of the Friends of Team Namibia is set for October 12 at Hotel Thule and as this has been a very personal and emotional campaign, few are as excited as Tatjana and I! Finally!!!

Second piece of news is that Tatjana is busy with the website which should go live within the next two to three weeks... sorting out all the little glitches and with self-updates, keeping the website relevant will be a breeze. Sticking to this theme, **element creations** is finalising the stunning DStv advert which we will be ready for broadcast and it should also go on air during this month... we cannot wait!

Be a Hero for your School – Team's competition with New Era closed as well and The School for the Visually Impaired got top honours. Get your New Era on Friday to get the info... we promised them exclusivity. Thanks to our wonderful sponsor members for taking part!!

Finally, MARKET DAY is a go!!! Book your free stand with us for November 6 at the SKW!! A great free day for all members exhibiting – good opportunity to get your product out there... Radio Wave is broadcasting live from the venue... it is going to be a blast!

And Remember - Be Namibian – Buy Namibian. The team at Team
